

In Wise County, one in four children face hunger every day – affecting their health and ability to learn. Walking Wise Homeschool Co-op at Camp Bethel is partnering with Feeding America to bring the nationally-recognized Backpack Program to our neighborhood. This program gives nutritious, easy-to-prepare food to children who may not have access to adequate meals.

Thirty homeschool children have already signed up for participation. Because these children are homeschooled, they **do not** have access to food assistance through the public school system. Walking Wise parents and youth are donating time and funding for transportation, packing and distribution.

Child hunger is a challenge we can tackle – while building life-changing relationships and sharing the love of Christ. Let's provide blessings in a backpack together.

Monthly Meal Maker - \$800

This sponsorship level covers the cost of backpacks for thirty children for one month during the school year (September – April). There are 8 of these sponsorships available.

Weekly Warrior - \$250

This sponsorship level covers the cost of backpacks for thirty children for one week during the school year (September – April). There are 12 of these sponsorships available.

Donations of various amounts are welcome. Make donations payable to Feeding America Southwest Virginia, designating the “Walking Wise Homeschool Co-op Backpack Program” or go online and give at feedingswva.org/donate-now, and specify our program. Donations are tax-deductible. Sponsors will be recognized on social media unless otherwise requested. Impact reports available upon request.
