

Nearly three years ago, a group of homeschool moms had a dream to start a homeschool co-op with a Biblical worldview on the grounds of Camp Bethel in Wise County. Since that time, nearly a hundred children have joined representing more than 20 families per semester. From the arts and sciences - to outdoor sports and education - the variety of learning opportunities impacts nursery to high schoolers. However, none of this possible without the generosity of our community. Below is a list of supplies and equipment needed to grow for the future. You can join us by granting a wish. Your gift is tax-deductible. For questions, please contact us at [walkingwisehomeschoolers@gmail.com](mailto:walkingwisehomeschoolers@gmail.com).

Eco Tank Wireless Printer  
 Cordless vacuums  
 TV Screens for Projection  
 Art drying rack  
 Ice machine  
 Laptops  
 Document cameras  
 Microscopes  
 Icing spreaders  
 Cake pans  
 Pie plates  
 Refillable salt and pepper shakers
