### Class Descriptions

#### 6th IEW Ancient History-Based Writing Lessons

**Class Fee Per Semester:** \$15

**Teacher/Email:** Kosa

**Grade:** 6th

**Class Prerequisites:** Completed at least 5th grade level English instruction

**Minimum to Maximum Enrollment:** 3-12

#### Class Description:

- This class will guide students through IEW's "Structure and Style" writing format.
- New structure and elements of style will be added little by little, teaching students to build upon previous writing knowledge and adding more to their compositions each week.
- New vocabulary will be introduced each Monday and encouraged to be used in compositions.
- General MLA format will be introduced and taught

#### Required Textbook(s):

- Institute for Excellence in Writing Ancient History-Based Writing Lessons Student Book

#### Possible Required Assignments:

- After covering a new lesson in class each Monday, students will be expected to complete a Key Word Outline and write a rough draft composition during the week.
- Most weeks, the rough draft for the current lesson and an edited, final draft for the previous lesson will be due. Final drafts will be graded.

- Parental involvement at home is extremely important for success in IEW. Helping your child to stay organized, brainstorm ideas, and edit papers will play a huge role in your student's success.
- Review vocabulary words

## 7th IEW Medieval History-Based Writing Lessons

**Class Fee Per Semester:** \$15

**Teacher/Email:** Kimberling

**Grade:** 7th

**Class Prerequisites:** 6th grade level English instruction

**Minimum to Maximum Enrollment:** 3-12

### Class Description:

- This class will guide students through IEW's "Structure and Style" writing format.
- New structure and elements of style will be added little by little, teaching students to build upon previous writing knowledge and adding more to their compositions each week.
- New vocabulary will be introduced each Monday and encouraged to be used in compositions.

## 8th/9th Grade Literature - Stories that Shape Writing

**Class Fee Per Semester:** \$5

**Teacher/Email:** Sloane Simon

**Grade:** 8th-9th

**Class Prerequisites:** None required but students will do especially well coming from JH Lit class and/or if they have an earnest interest in reading/writing

**Minimum to Maximum Enrollment:** 3-12

### Class Description:

- This class is meant to prepare 8th and 9th graders for upper level English classes
- This class will explore genres, themes, structure/style, historical context within literature
- We will learn and identify literary devices such as tone, imagery, and mood within literature
- We will study and learn various forms and techniques of writing like poetry, narration, analysis, creative writing and journal writing. Writing will build up throughout the year as students learn new skills and techniques.
- Students will participate in in-class 'Writing Workshops' where students will share their polished pieces of writing, hear positive feedback from peers/teacher, and positive critiques/edits to improve writing skills and gain confidence in sharing their writing
- Students will finish this class feeling confident in their writing and analysis abilities

**Required Textbook(s):** \*\*Book list is still being determined and will be finalized by June 1st\*\*

**Possible Required Assignments:**

- Weekly reading
- Paper outlines
- Short essays
- Character analysis
- Writers journal
- In class short answer comprehension quizzes

## JH Literature

**Class Fee Per Semester:** \$15

**Teacher/Email:** Karen Graves

**Grade:** 6th - 7th

**Class Prerequisites:** Reading on level for your grade

**Minimum to Maximum Enrollment:** 3-10

**Class Description:**

- To inspire the reluctant reader to love books and encourage the enthusiastic reader to better understand what they read.
- We will discuss the elements of each book and learn the literary terms.
- We will learn background information for each book and learn who the author was/is that wrote the novel.
- Poetry will also be introduced.

**Required Textbooks:**

- Lassie, Come Home by Eric Knight
- The Sign of the Beaver by Elizabeth George Speare
- The Shakespeare Stealer by Gary Blackwood
- Gladys Aylward: Adventure of a Lifetime by Janet and George Bengt
- Corrie Ten Boom: Keeper of the Angels' Den by Janet and George Bengt
- Number the Stars by Lois Lowry
- The Best Christmas Pageant Ever by Barbara Robinson
- From the Mixed-up Files of Mrs. Basil E. Frankweiler by E.L. Konigsburg
- The Cay by Theodore Taylor

**Possible Required Assignments:**

- There will be an assignment with each book, either a worksheet, journaling, or a test.

## Discovering Design with Earth Science

**Class Fee Per Semester:** \$25

**Teacher/Email:** Amanda Gardner

**Grade:** 8th and Above/Highschool welcome

**Class Prerequisites:** 7th Grade Level Science

**Minimum to Maximum Enrollment:** 5-15

**Class Description:**

- This science course is an introduction to earth science using a text book filled with detailed descriptions, stunning images, as well as awesome and fun experiments.
- The goal of this course is to help the student understand the science behind God's creation and do experiments that are designed specifically to increase understanding of the concepts introduced.
- Each Monday we introduce a new concept and complete as many of the curriculum's experiments as possible in the hour and a half allotted, as well as discuss and document our results.

**Required Textbook:**

- Berean Builders: Discovering Design With Earth Science by Dr. Wile
- Answer Key and Tests Manual

**Possible Required Assignments:**

- Reading of Each Chapter
- On Your Own Completion of Short Comprehension Questions and Full Chapter Reviews - Graded For Completion
- Lab Reports and Tests - Graded for Content

## General Science

**Class Fee Per Semester:** \$15

**Teacher/Email:** Allison King

**Grade:** 7th/8th

**Class Prerequisites:** 6th grade level Science

**Minimum to Maximum Enrollment:** 3-12

### Class Description:

- This general science course gives students an understanding of the world that surrounds them so they can appreciate the real-world relevance of scientific inquiry and the beauty of Creation.
- Each CG Monday we will complete experiments in class and discuss content of each Module as time allows.

### Required Textbook(s):

- Apologia Exploring Creation with General Science, 3rd Edition
- Solutions and Tests Manual.

### Possible Required Assignments:

- Reading each Module
- On Your Own Questions, Study Guide Questions – graded for completion
- Lab Reports and Tests - graded for content
- End of Year Poster Board Presentation

## JH Intro to Chem/Physics

**Class Fee Per Semester:** \$15

**Teacher/Email:** TBD

**Grade:** 6th/7th grade

**Class Prerequisites:** 5th grade science instruction

**Minimum to Maximum Enrollment:** 3-12

### Class Description:

- Students will study the basic building blocks of creation: atoms, molecules, simple chemicals, the laws of motion, and energy in its many forms.
- Experiments will be done each week in class as well as review of material read

### Required Textbook(s):

- Apologia Exploring Creation with Chemistry and Physics Textbook

### Possible Required Assignments:

- Students will be responsible for reading lessons at home and completing lesson review questions

## Nature Study

**Class Fee Per Semester:** \$25

**Teacher/Email:** Lisa Rawls

**Grade:** 6-8

**Class Prerequisites:** none

**Skill Level Needed:** being able to listen to a lecture, reading/writing, public speaking

**Minimum to Maximum Enrollment:** 3-10

### Class Description:

- This is a literature-based class with three 8-week terms per year, each term focusing on a particular area of nature. These topics repeat every 5 years.
- Topics for 2025-26 are reptiles, brook/river/ocean (and landforms), and garden flowers.
- At the end of each term, each student will select something from within the topic of study to research and give a presentation on in front of the class. There are 3 presentations per year.
- Class time will consist of a lecture portion that includes reading from various books on the topic of study, may include short videos, hands-on activities that assist students in learning and observing the chosen subject, and some nature journaling. When appropriate and when weather permits, we may go outside for a portion of class time. A dissection will be done during the reptile term.

- permits, we may go outside for a portion of class time. A presentation will be done during the report term.
- All students are expected to prepare their 3 presentations per year and do their weekly journal assignments.
- Some optional field trips will be planned to reinforce the topics of study and will be up to each family if they prefer to attend or not. (these will not be during CG hours.)

**Required Textbook(s)/Materials:**

- Nature journals, [this one](#) or similar (Amazon.com: Strathmore Visual Journal Watercolor 9"X12"-22 Sheets)
- Pens, colored pencils, watercolors, etc for nature journaling – whatever they prefer to use
- All other class materials will be provided by teacher.

**Possible Required Assignments:**

- 3 presentations per year will be given by each student, at the end of each 8 week term, and will need to be prepared at home.
- A journal prompt will be given each week for their nature journals and they will be asked to share these entries in class from time to time.

**JH Food Science****Class Fee Per Semester:** \$25**Teacher/Email:** TBD**Grade:** 6th-8th**Class Prerequisites:** None**Minimum to Maximum Enrollment:** 2-8**Class Description:**

- Students will be introduced to a cooking method each week and learn the science behind why it works.
- Cook tastier, more nutritious food using fundamental principles, step-by-step techniques.

**Required Textbook(s):**

- No required text

**Possible Required Assignments:**

- Students will be highly encouraged to practice techniques at home

**JH STEM****Class Fee Per Semester:** \$30**Teacher/Email:** Hayley Christophersen**Grade:** 6th-8th**Class Prerequisites:** None**Minimum to Maximum Enrollment:** 3-12**Class Description:**

- Students will work in groups to solve problems and design solutions using the STEM design process.
- Each semester, students will be presented with 5 theme-based challenges that will immerse them in hands-on inquiry and open-ended exploration while utilizing science, technology, engineering, and math concepts.
- Projects are assigned a point value using a project-specific rubric to determine how well each team met challenge-specific requirements.
- This class will follow a 2-year rotation, allowing students to take it consecutively 2 years in a row without repeating any challenges.

**Required Textbook(s):**

- None. All required materials are provided by the teacher.

**Possible Required Assignments:**

- No homework.

**Math Masters****Class Fee Per Semester:** \$10**Teacher/Email:** Mikayla Flanders**Grade:** 6th/7th**Class Prerequisites:** Completed or currently taking 6th grade mathematics**Minimum to Maximum Enrollment:** 3-12**Class Description:**

This supplemental math course reviews middle school math concepts and aims to improve student's speed, knowledge, and confidence in math.

- This supplemental math course reviews middle school math concepts and aims to improve students' speed, knowledge, and confidence in math.
- Games or class activities will be used weekly to enhance learning retention.
- There will be a focus on connecting math to real-life scenarios or explaining concepts in simple terms to encourage understanding.
- A weekly lesson will be covered, as well as a class game/activity used to solidify the concept.
- Classes will contain a combination of helpful drills, math rules, quizzes, or vocabulary to improve students' capabilities.
- The topics addressed will be beneficial for future courses such as Pre-Algebra and Algebra.

**Required Textbook(s):** N/A

**Possible Required Assignments:** N/A

## Pre-Algebra

**Class Fee Per Semester:** \$10

**Teacher/Email:** Kristie Martinez

**Grade:** JH - preferably 7th or 8th graders

**Class Prerequisites:** Students must have a thorough grasp of addition, subtraction, multiplication, and division (knowing how and when to do each operation) along with a mastery of fractions, decimals, and percents.

**Enrollment:** Minimum 2, Maximum 12

**Class Description:**

- This class will cover the final concepts needed to equip the student with the ability to solve algebraic equations and be better prepared for Algebra I.

**Required Textbook:**

- Math-U-See Pre-Algebra Student Pack (Teacher edition is 2009, but any will be similar)

**Possible Required Assignments:**

- The student should expect about 1 hour of homework each day, 4-5 days a week.
- Unit Tests
- Final Exam

## JH Texas History

**Class Fee Per Semester:** \$10

**Teacher/Email:** Caitlyn Preston

**Grade:** 6th/7th/8th Grade

**Class Prerequisites:** None

**Minimum to Maximum Enrollment:** 3-12

**Class Description:**

- Discover Texas History is a unit study curriculum designed to help students explore Texas history, geography, and government through engaging lessons and activities.
- Each class will focus on a different historical event or aspect of Texas, providing opportunities to learn about related topics and significant historical figures.
- Discussion questions will encourage critical thinking about historical causes and effects

**Required Textbook(s):**

- No Textbook Required

**Possible Required Assignments:**

- Worksheets and vocabulary exercises
- Printouts and quizzes
- Discussion-based activities

## JH Spanish

**Class Fee Per Semester:** \$10

**Teacher/Email:** Nafisa Morris

**Grade:** 6-8

**Class Prerequisites:** n/a

**Minimum to Maximum Enrollment:** 3-12

**Class Description:**

- Students will learn basic Spanish vocabulary including greetings, introductions, clothing, parts of a house, school subjects, and parts of a town.
- Students will learn basic Spanish grammar including verb conjugation and how to write sentences.
- Students will practice oral reading in Spanish.
- This course is designed as an introduction to high school Spanish classes and is best suited for students who plan to take Spanish I the following year.

**Required Textbook(s):**

- BJU Press Spanish I Student Text, 2nd edition

**Possible Required Assignments:**

- Class participation in completing exercises in textbook
- Worksheet practice
- Reading a part in a Spanish conversation in textbook
- Studying vocabulary lists

**Conversational Spanish JH****Class Fee Per Semester:** \$15**Teacher/Email:** Sarah Peterson**Grade:** 6th-8th**Class Prerequisites:** Can be taken at any time/ No prerequisites**Minimum to Maximum Enrollment:** 3-12**Class Description:**

- Fun intro (and/or continuation) to learning Spanish
- No previous exposure is required
- We will learn key phrases for travel
- Introduce verb conjugation
- They will also learn basic Spanish vocabulary necessary for everyday conversation
- I will work together with each student to come up with a personalized testimony they can learn to share in Spanish by the end of the year.

**Required Textbook(s):**

- No textbook or workbook is required for this class

**Possible Required Assignments:**

- Students will be encouraged, not required, to review vocabulary at home.
- Students may be asked to write out a personal testimony at home in English. They will NOT have to translate it on their own!

Note: This class helps prepare students for JH Spanish course and it also can be used to solidify Spanish after JH Spanish course has been taken.

**JH Boys Club Men of Character****Class Fee Per Semester:** \$20**Teacher/Email:** TBD**Grade:** 6th-8th**Class Prerequisites:** None**Minimum to Maximum Enrollment:** 3-12**Class Description:**

- Each week will focus on a specific biblical characteristic, with hands-on activities to reinforce the lesson.
- Practical life skills that reinforce biblical characteristics will be taught as well as taking time for friendship building activities

**Required Textbook(s):** N/A**Possible Required Assignments:**

- No assignments will be required at home

**JH Girls Club Women of the Bible****Class Fee Per Semester:** \$20**Teacher/Email:** Kristin Mccrary**Grade:** 6th-8th grade**Class Prerequisites:** None**Minimum to Maximum Enrollment:** 3-12

**Minimum to Maximum Enrollment: 2-12****Class Description:**

- We will explore inspiring women of the Bible, while incorporating friendship-building activities, crafts, and scripture memory verses
- In this class we will gain understanding of biblical womanhood while having fun and fellowshiping together.

**Required Textbook(s):**

- None

**Possible Required Assignments:**

- Memorizing scripture verses
- Occasionally completing a craft not finished in class

**Biblical Worldview****Class Fee Per Semester:** \$8**Teacher/Email:** Tammy Cannon**Grade:** 6th-8th**Class Prerequisites:** None**Minimum to Maximum Enrollment:** 3-8**Class Description:**

- Students will gain a "big picture" understanding of the gospel beginning in Genesis of the bad news, to appreciate the good news in John, Romans and Revelation.
- Students will also learn ten basics to boldly proclaim a Biblical Worldview.
- There is no homework. Each Monday we will read in class, discuss and quiz over the material.

**Required Textbook(s):**

- Begin: A Journey Through Scriptures for Seekers and New Believers (Available at Christianbook.com or Amazon.com)

**Possible Required Assignments:** N/A**Spot It! Fallacies & Propaganda****Class Fee Per Semester:** \$10**Teacher/Email:** TBD**Grade:** 6th-8th**Class Prerequisites:** N/A**Minimum to Maximum Enrollment:** 3-12**Class Description:**

- This class will challenge students to think critically about the ideas and information they encounter daily. We will focus on the techniques used so that each student is able to spot bad reasoning and propaganda. This course will place a higher value on good reasoning and encourage humble listening. Let's exercise our minds together! Material will be taught from The Fallacy Detective by Nathaniel Blueborn & Hans Blueborn and Logical Fallacies by Connor Boyack, in addition to on-line materials and visual aids. (no need to purchase books).

**Required Textbook(s):** N/A**Possible Required Assignments:**

- Locate examples of the fallacy or propaganda technique that is being studied at home and present findings to class.
- Fill out worksheets and examples in class as we discuss and learn.

**JH/HS Intro Sewing****Class Fee Per Semester:** \$40**Teacher/Email:** Lacey Lowry**Grade:** 6th – 12th**Class Prerequisites:** None**Minimum to Maximum Enrollment:** 1-12**Class Description:**

- Students will learn how to better operate their sewing machine comfortably, reading instructions, learn about different fabrics, apply Math to projects, fun, etc.

- The goal is to complete 4-5 projects each semester. It always depends on the class how much we accomplish.

**Required Supplies:**

- Sewing machine
- Fabric Scissors
- White thread (cotton preferred)
- Pin cushion
- Straight pins
- Hand-sewing needles (size 10 or close to that size)
- Bobbins to fit their machine
- Container for their machine if they like (NOT mandatory)
- Small container equivalent to what would hold 12x12 scrapbook paper projects

**Possible Required Assignments:**

- There will be weeks where students may be asked to do some steps of their project at home. It is always within their ability so long as they listen and pay attention in class. I am just about always available, within reason, via text or phone call for any help they might need.
- Projects: bookmark, pillowcase, stuffed animal, coaster, holiday/seasonal items.

**JH/HS Strategic Games****Class Fee Per Semester:** \$20**Teacher/Email:** Laney Solsbery (9:00) / Jen Meier (11:00)**Grade:** 6th-12th**Class Prerequisites:** N/A**Minimum to Maximum Enrollment:** 3-12**Class Description:**

- We will learn to think strategically and competitively while playing a variety of strategic games.
- Possible games include: Ticket to Ride 1st Journey, Catan Jr, Taco v Burrito and SushiGo

**Required Textbook(s):** N/A**Possible Required Assignments:** N/A**JH/HS Pickleball****Class Fee Per Semester:** \$5.00**Teacher/Email:** Christine Davis**Grade:** 6th/7th/8th/9th/10th/11th/12th**Class Prerequisites:** none**Minimum to Maximum Enrollment:** 2-12**Class Description:**

- We will play pickleball at the Pollard Park courts. If a student doesn't have experience, they will be taught. If a student has experience, they will be able to open play.

**Required Textbook(s):**

- No textbooks required. All paddles and balls supplied.

**Possible Required Assignments:**

- Watching Pickleball videos of matches and drills in a classroom setting on bad weather days.
- Participate in an end of the year tournament.

**JH/HS Ballroom Dancing****Class Fee Per Semester:** \$0**Teacher/Email:** Waite**Grade:** JH-Highschool**Class Prerequisites:** N/A**Minimum to Maximum Enrollment:** 4-100**Class Description:**

- Students will learn the basics of several ballroom, partner, and line dances
- Students will learn basic dance etiquette

**Required Textbook(s):** N/A

**Possible Required Assignments:**

- Students will not have required assignments outside of class

## **JH/HS Studio Art II**

**Class Fee Per Semester:** \$30

**Teacher/Email:** Kara Brown

**Grade:** 6th – 12th grade students

**Class Prerequisites:** No prerequisites necessary

**Minimum to Maximum Enrollment:** 4 - 18

**Class Description:**

- This course will lead students to explore various mediums of art including but not limited to watercolor, acrylic painting, drawing, collage, and design.
- Each week we will begin class with an overview of the day's art assignment and spend the majority of class working on our art project. Each project typically requires a few consecutive class periods to complete. The last five minutes of class, students are expected to assist in cleanup.

**Required Textbook(s):**

- There are no required textbooks.
- All supplies will be provided in class.

**Possible Required Assignments:**

- There are no homework assignments, though students are encouraged to draw/sketch at home in their spare time to advance their artistic abilities.
- In some cases, a student may be permitted to take a project home to complete if they have had an absence and need to catch up on an assignment.

## **JH/HS Knitting**

**Class Fee Per Semester:** \$35

**Teacher/Email:** Tracy Coffey

**Grade:** Jr. High/High School

**Class Prerequisites:** none

**Minimum to Maximum Enrollment:** 2-10 new

**Class Description:**

- Students will learn to knit and practice their new skill in class and at home.
- Learn to read patterns and know abbreviations.
- Make several small projects.
- Practice and learn from mistakes...and not give up!
- Bring supplies to class each week.
- Work at own pace.
- HAVE FUN!!
- Year 2+ students will focus on more advanced projects and patterns.

**Required Textbook(s):**

- All supplies provided.

**Possible Required Assignments:**

- Practice. Practice. Practice.

## **JH/HS ARTistic Challenge I**

**Class Fee Per Semester:** \$35

**Teacher/Email:** Lisa White

**Grade:** JH/HS

**Class Prerequisites:** N/A

**Minimum to Maximum Enrollment:** 4-16

**Class Description:**

- Fundamentals of color theory
- Multiple mediums and techniques
- Art History and Appreciation
- Art Masters (Renaissance to Realism)
- Impressionists
- Composition in abstract, realistic works, landscape, still life, and portraits.
- Various mediums will be introduced as well as the ability to use the appropriate tools.

**Required Supplies:**

- Mixed Media 9x12 Sketchbook (Master's Touch brand preferred)
- All other materials will be supplied.

**Possible Required Assignments:** N/A**JH/HS ARTistic Challenge II****Class Fee Per Semester:** \$35**Teacher/Email:** Lisa White**Grade:** JH/HS**Class Prerequisites:** Must have completed at least one JH/HS Art Class**Minimum to Maximum Enrollment:** 4-16**Class Description:**

- Advanced study using multiple techniques/mediums.
- Composition, abstract, realistic works, landscape, still life, and portraits.
- Critical analysis of artwork will be stressed in the application of the creative process.
- Continuation of the study of Great Masters and their works and techniques.
- Art appreciation and Art history of European masters using techniques.

**Required Textbook(s):**

- Mixed Media 9x12 Sketchbook (Master's Touch brand preferred)

**Possible Required Assignments:** N/A**JH/HS Team Sports****Class Fee Per Semester:** \$10**Teacher/Email:** Brown/Davis**Grade:** 6th – 12th grade students**Class Prerequisites:** No prerequisites necessary**Minimum to Maximum Enrollment:** 18**Class Description:**

- This course will consist of friendly competition in a variety of sports including but not limited to: Pickleball, Basketball, Football, Soccer, Kickball, Wiffleball and Dodgeball.
- Depending on weather conditions, we will split the class into groups to play the designated sports of the day.

**Required Textbook(s):**

- There are no required textbooks.
- All equipment will be provided in class.

**Possible Required Assignments:**

- There will be no at home assignments.
- Please wear appropriate footwear to class to help avoid injuries.

**JH/HS Intro to Leatherworking****Class Fee Per Semester:** \$100**Teacher/Email:** Garrett**Grade:** MS/HS**Class Prerequisites:** None**Minimum to Maximum Enrollment:** 5-10**Class Description:**

- Students will learn proper leather craft cutting and stamping basic skills that will help create decorative leather products.
- They will also learn about other aspects of leather craft that will inspire them to develop their creative talents.
- The cost of the class includes stamping and cutting tools (which I will purchase and the student will keep), leather for projects and appropriate supplies.

**Required Textbook(s):** N/A

**Possible Required Assignments:** N/A

## JH/HS Intermediate Leatherworking

**Class Fee Per Semester:** \$50

**Teacher/Email:** Garrett

**Grade:** HS

**Class Prerequisites:** Completed Beginning Leather Class (or have had previous leather training...must be approved by instructor)

**Minimum to Maximum Enrollment:** 5-10

**Class Description:**

- Students will further their leather craft skills and venture into projects while developing new skills.
- The cost of the class includes leather for projects and appropriate supplies.

**Required Textbook(s):** N/A

**Possible Required Assignments:** N/A

## JH/HS Adv. Sewing

**Class Fee Per Semester:** \$40

**Teacher/Email:** Lacey Lowry

**Grade:** 6th – 12th

**Class Prerequisites:** Beginner Sewing Class, repeat Advanced students are welcome

**Minimum to Maximum Enrollment:** 1-12

**Class Description:**

- Students will be doing more intricate work and projects now they have learned how to sew. They will be doing more of their own cutting and all as time allows. This is where I see sewing students flourish. They have taken the beginner class, and now they are more confident in their skills.

**Required Supplies:**

- Sewing machine
- Fabric Scissors
- White thread (cotton preferred)
- Pincushion
- Straight pins
- Hand-sewing needles (size 10 or close to that size)
- Bobbins to fit their machine
- Container for their machine if they like (NOT mandatory)
- Small container equivalent to what would hold 12x12 scrapbook paper projects

**Possible Required Assignments:**

- There will be weeks where students may be asked to do some steps of their project at home. It is always within their ability so long as they listen and pay attention in class. I am just about always available, within reason, via text or phone call for any help they might need.
- Possible Projects: apron, bag, hot pad, throw pillow, travel pillow, maybe a table runner, possibly a class project, etc. Each year our list changes. Sometimes it evolves by students asking to make something I had never considered. We do mostly new projects each year since there are repeat Advanced Sewing students in there.

## JH/HS Home Art and Handicrafts

**Class Fee Per Semester:** \$35

**Teacher/Email:** Jennifer Flanders

**Grade:** 6th-12th

**Class Prerequisites:** n/a

**Minimum to Maximum Enrollment:** 2-12 students

**Class Description:**

- An enrichment class designed to teach middle school and high school girls a variety of useful skills that can be used in gift making or home

- An enrichment class designed to teach middle school and high school girls a variety of useful skills that can be used in gift making or home decorating and management, including needlework and embroidery, calligraphy, card making, cut paper, napkin folding, hand sewing and mending, crochet, cross stitch, trapunto, quilting, decoupage, painting, upcycling, and more

**Required Textbook(s):** N/A

**Possible Required Assignments:**

- Students should be able to complete most of the work during class time
- The only homework for this class will be finishing any projects at home that weren't completed in class

## JH/HS Theater

**Class Fee Per Semester:** \$15

**Teacher/Email:** Leech

**Grade:** 6th-12th

**Skill Level Needed:** Basic reading memorization skills

**Minimum to Maximum Enrollment:** 6-13

**Class Description:**

- We will be fine tuning our ability to perform and tell a story. Cementing our understanding of the vocabulary and vernacular of theater. Exploring the ability to use quick on the spot thinking, character development and working as a team on stage.

**Possible Required Assignments:**

- Rehearsals outside of actual Cottage Garden are a possibility depending on performance circumstances and will be discussed beforehand. Also there is an expectation for lines to be memorized before performance to be performed in front of an audience.

## JH/HS Girls Self Defense

**Class Fee Per Semester:** none

**Teacher/Email:** April McDonald

**Grade:** Jr. High and High School

**Class Prerequisites:** N/A

**Minimum to Maximum Enrollment:**

**Class Description:**

- We will learn multiple self-defense techniques
- We will be addressing being aware of your situations and how to watch out for yourself
- We will also address what has been told to kids to get them to walk away from a safe space. Giving them real life situations that have happened and pointing out the lies they were told and helping them be able to analyze the situation and make better decisions

**Required Textbook(s):** N/A

**Possible Required Assignments:** N/A
