

Dear Sonlight, We are excited to announce we have some committees you can be part of to help foster community within Sonlight and get a few points for registration. These are semester long commitments. If you didn't get on the committee you wanted for the fall you will be placed on it for the spring. If you want to continue on your committee you can "reup" for the next semester if there is space. Points will be rewarded at the end of the semester. Please reach out to the assigned coordinator if you'd like to be part of one of these committees. The coordinators will not be planning the event, but will be your point of contact. This is completely optional and a work in progress.
