# T.O.R.C.H

TEXARKANA ORGANIZATION FOR RESOLUTE CHRISTIAN  
HOMESCHOOLERS

## Note From Your President

Here in Texarkana the weather is finally starting to feel like fall, and I don't know about your kids, but this is when mine want to be outside all the time! I try to take advantage of the weather, and do some educational things in the great outdoors. This time of year is a great time to go on nature walks: join your children in observing things around them, sketching/painting what they observe, and even preserving some of what they collect (like pressed fall leaves!). I also enjoy having picnics in our front yard, and we even do some of our subjects outside (although warning, kids can get distracted easily). Hopefully our weather allows us to do some of these amazing things together!

In Christ,  
Hope Owens
