# New This Year

## Little HOBbits Preschool

**Session 1 and Session 2: 9:30am-11:25am**

**Instructor's Name:** Mrs. Amy Barriga

**Class Skill Level:** Preschool (ages 2.5-5 years) *\*Must be completely potty trained.*

### **Class Description:**

Welcome to our engaging and hands-on preschool class, where young learners explore the world through play, creativity, and discovery! Each week, we will dive into fun themes that spark curiosity, encourage social development, and build foundational skills in literacy, math, and science.

Children will enjoy stories, songs, sensory play, crafts, and interactive activities designed to nurture a love of learning. Through group activities and hands-on exploration, students will develop fine and gross motor skills, practice teamwork, and gain confidence in a structured yet playful environment.

Join us for a joyful learning experience where every child is encouraged to grow, explore, and have fun!

### **Student Supply List**

- Backpack
- Small Nut-FREE snack and drink
- Complete change of labeled clothing
- If you are staying for lunch and recess pack a Nut & Seafood free Lunch.

### **Supply Fee**

\$65.00

**Monthly Cost**

\$75.00

**Class Cost**

\$750.00

# SESSION 1

## 9:30am-10:25am

**Nature Explorers – 2<sup>nd</sup> Semester**

**Instructor's Name:** Mrs. Heather Sheffer

**Class Skill Level:** K-5<sup>th</sup>

**Textbook:** None

**Course Description****Discover the Wonders of Nature!**

Come learn about insects, arachnids, mammals, plants, and more! In this hands-on class, students will explore the natural world through observation, discovery, research, and creativity. We'll examine real specimens up close, take short nature walks, and enjoy inspiring nature books together. Join the fun and uncover the amazing living world all around us!

This class is designed to spark a love for nature while fostering healthy activity listening skills, and self-expression. Just bring your enthusiasm and curiosity!

## **Hands On History: Colonial Life – 2<sup>nd</sup> Semester**

**Instructor's Name:** Mrs. Lisa Heilenman

**Class Skill Level:** 3<sup>rd</sup>-8<sup>th</sup>

**Textbook:** Instructor Provided

### **Course Description**

#### **Hands On History: Colonial Life**

#### **Hear Ye! Hear Ye!**

Step back in time and experience **Colonial Life**—a hands-on journey into America's early history! This engaging class invites students to explore what life was like in the colonies during the years leading up to the American Revolution.

Through fun, interactive lessons, students will discover how the colonists lived, worked, dressed, learned, worshiped, and spent their free time.

**Topics include** - *America's Colonies Begin, The Colonial Home, Clothing, Food, Family Life, School, Faith in the Colonies, Villages & Cities, Health & Medicine, Artisans, Crime & Punishment, Plantations & Slavery, Pleasures & Pastimes, and Holidays!*

Designed for multiple grade levels, **Colonial Life** offers an in-depth, kinesthetic learning experience that combines reading, research, and creative projects. Younger students will enjoy guided, hands-on activities, while older students will have opportunities to work more independently as they bring history to life!

- Suggested grades: 3-8

#### **Supply List**

1 ream of printer paper per student

#### **Supply Fee**

**\$30.00**

#### **Monthly Cost**

**\$25.00**

#### **Class Cost**

**\$125.00**

## **Consumer Math**

**Instructor's Name:** Mrs. Laura Lombardo

**Class Skill Level:** 6th-12<sup>th</sup>

**Textbook:** Instructor Provided

### **Course Description**

#### **Consumer Math**

How do I file a tax return? What is a credit score? How much of my paycheck will be withheld for taxes? What's an APR? This **Consumer Math** class answers all these questions and more!

#### **Students will learn essential personal finance skills, including:**

- **Earning Income** – Wages, salary, gross/net pay, taxes, retirement savings
- **Spending & Budgeting** – Keeping a register, unit prices, sales tax, discounts, coupons
- **Saving & Investing** – Savings accounts, compound interest, stocks, bonds, risk vs. reward
- **Credit & Loans** – Credit scores, credit cards, APRs, car loans, mortgages, student loans
- **Insurance & Financial Planning** – Car insurance, health insurance, retirement accounts

#### **Topics Covered Include:**

- Wants vs. Needs
- Bank Accounts & Electronic Banking
- Taxes (Income Tax, Sales Tax, Tips)
- Budgeting & Money Management
- Credit Cards, Loans, & Mortgages
- Investing & Financial Planning

This class provides **real-world financial knowledge** that will help students make informed decisions now and in the future!

## Book Quest

**Instructor's Name:** Mrs. Heather Sheffer

**Class Skill Level:** 5<sup>th</sup>-9<sup>th</sup>

**Textbook:** None

## Course Description

### Book Quest

Welcome to *Book Quest*, an exciting class where we'll journey into engaging books and share our discoveries together! Each week, students will be assigned a set number of pages to read (or listen to via audiobook) at home, helping them follow along with the story and deepen their understanding. Occasionally, comprehension worksheets will be provided to guide their reading and help capture key details. In class, we'll discuss characters, themes, and memorable moments, followed by a fun activity to reinforce what we've read. Get ready for an adventure in reading, sharing, and growing together as readers in *Book Quest*!

**PARENTS:** Please make sure your student completes the assigned pages before class. Without this work finished, they won't be able to keep up or move forward with the lessons.

### Possible Books:

- *Bud, Not Buddy* by Christopher Paul Curtis
- *The Giver* by Lois Lowry
- *Hatchet* by Gary Paulsen
- *The Watsons Go to Birmingham – 1963* by Christopher Paul Curtis
- *Bridge to Terabithia* by Katherine Paterson

- *Maniac Magee* by Jerry Spinelli
- *Tuck Everlasting* by Natalie Babbitt

Each of these books offers unique adventures, lessons, and perspectives, and we'll explore them together as a class!

## (SEL) Social Emotional Learning

**Instructor's Name:** Mrs. Laura Lombardo

**Class Skill Level:** Ages 10+

**Textbook:** None

## Course Description

### Social Emotional Learning (SEL)

This engaging and comprehensive Social Emotional Learning (SEL) course provides students with essential life skills to navigate relationships, emotions, and personal growth. Based on the **50 Social Emotional Learning Lessons** curriculum, this class integrates best practices from personal development, life coaching, and mindfulness into interactive lessons designed for real-world applications.

The course consists of **ten self-contained units**, each focusing on a key SEL skill or value:

**Community** – Build trust, connection, and belonging through engaging activities.

**Active Listening** – Strengthen listening skills to enhance communication.

**Respect** – Foster kindness, appreciation, and valuing others.

**Emotional Literacy** – Explore feelings through games and reflection.

**Empathy** – Develop compassion by understanding different perspectives.

**Communication** – Learn assertiveness, conflict resolution, and dialogue techniques.

**Integrity** – Understand responsibility, honesty, and the impact of actions.

**Mindfulness** – Practice presence, self-awareness, and emotional regulation.

**Goals** – Empower students to set and achieve personal aspirations.

**Resilience** – Cultivate a growth mindset to overcome challenges.

Each lesson is **interactive and discussion-based**, using real-life scenarios, experiential games, and reflective activities to help students integrate these valuable skills. This class provides a structured yet flexible approach to **fostering self-awareness, responsible decision-making, and positive social interactions**, creating a supportive learning environment where students can thrive.

## **Introduction to Spanish**

**Instructor's Name:** Mrs. Michelle McCarthy

**Class Skill Level:** 4<sup>th</sup>-12<sup>th</sup>

**Textbook:** *None*

## **Class Description**

In this fun and interactive class, students will build a foundation in Spanish through games, songs, and hands-on activities. Each week we'll explore useful vocabulary—like greetings, numbers, colors, family, food, and animals—while also learning about the cultures of Spanish-speaking countries. The focus will be on speaking and listening in a relaxed, encouraging environment. By the end of the session, students will be able to hold simple conversations, recognize key vocabulary, and have a greater appreciation for the Spanish language and culture.

# 1:30pm-2:25pm

**Make it MESSY! – 2<sup>nd</sup> Semester**

**Instructor's Name:** Mrs. Charlotte Stevens

**Class Skill Level:** PK-3<sup>rd</sup>

### **Class Description**

Get ready to splash, squish, mix, and create! Make It Messy is a hands-on art and sensory class designed especially for preschool and early elementary homeschoolers who love to explore with all their senses. Each week, children will dive into open-ended projects using paint, clay, shaving cream, playdough, slime, and other creative materials that encourage curiosity, creativity, and confidence.

There are no “perfect” projects here—just the freedom to experiment, imagine, and get delightfully messy!

**Neighboring Faiths**

**Instructor's Name:** Mr. Tim Robert

**Class Skill Level:** 9<sup>th</sup>-12<sup>th</sup>

**Textbook:** *None*

**Class Description**

Have you ever wondered what the difference is between different religions? Islam vs Hinduism? Jewish vs Christian? In this class we will learn about these various faiths and what they believe. We will also learn how to be respectful of that faith when talking to them as some have specific things that seem small to some people but can offend them due to their beliefs. We will also learn how to give a defense of the Christian faith by presenting reasoned arguments, events, and logical explanations for its truth claims and teachings.

## **Art: Methods and Mediums**

**Instructor's Name:** Mrs. Laura Lombardo

**Class Skill Level:** 4<sup>th</sup>-12<sup>th</sup>

**Textbook:** Teacher Provided

### **Class Description**

#### **High School Art: Methods and Mediums**

This Art course takes an interactive approach to art appreciation, artistic techniques, and professional terminology. Students will explore the methods and mediums used by master artists across history while developing their own creative skills.

#### **What to Expect:**

- Study of influential master artists and their unique styles
- Exploration of major art movements such as Baroque, Renaissance, Impressionism, Modern, Americana, and more
- Hands-on projects using a variety of artistic mediums
- Learning and applying professional art terminology

#### **Projects & Assignments:**

- Creative projects incorporating historical techniques
- Medium-based exercises to build artistic skills
- Occasional homework and take-home projects

This course encourages artistic growth, creativity, and self-expression while fostering a deeper appreciation for art history. Most importantly... we will learn, create, and have fun!

Please note there will be no cellphones or electronics in this class. Please arrive on time and with all your supplies needed to have a successful day.
