

PATH Home School Co-op ***2021-2022***

Welcome to PATH Home School Co-op!
We are a non-profit ministry to home schooling families.

PATH Co-op is designed to offer students an assortment of enrichment and academic classes to supplement their home school experience. We want to provide a Christian community where families can encourage and serve each other. Our teachers are encouraged to teach a subject they are passionate about in order to pass their enthusiasm on to the students.

Our mission statement is in our name:

P	Preparing for life	Psalm 16:11
A	Accountability for actions	Psalm 1:1-3
T	Teaching toward righteousness	Deuteronomy 6:6-7
H	Homeschooling together	Hebrews 10:23-25

PATH Co-op meets on Mondays from 10:00 a.m. – 2:10pm Our calendar year is from September 9, 2021 – May 16, 2022. Optional Academic Testing will be held on May 23, 2022.
